## Zf Marine Transmission S

**product overview - zf** - all of zf marine's transmission design, manufacture and quality control standards meet iso 9001. the 2-speed (ts) series transmissions have been developed for applications, where optimum acceleration, safety and maneuverability are determining factors. these 2-speed, power-shift, reverse reduction marine transmissions are equipped with a planetary step-up gear on the power input side and ...

**technical data sheet - zf w325 - marine transmissions** - zf selects torsional couplings on the basis of nominal input torque at commonly rated engine speeds. consult zf for details concerning speed consult zf for details concerning speed limits of standard offered torsional couplings, which can be below transmission limits.
